## Congressional Sidelights

by  
CONGRESSMAN WM. M. COLMER

### STRIKES

Again the country is faced with another series of major strikes by the nation's workers. The big Chrysler automobile factories are again closed, the nation's coal miners are out on strike, a brief trace has been declared in the telephone workers' proposed strike and there are other evidences of more strikes in the offing.

The John L. Lewis coal strike has become an annual affair. And along with the suffering and inconvenience of this major blow at the economy of the country goes some very interesting and vital questions. Among these is

the question of the sovereignty of the government as against the will of an adamant and dictatorial labor leader. The question is posed as to whether a democratic government such as ours can protect the health, convenience and economy of a great people against the whims of an autocratic labor leader. The Taft-Hartley Bill was set up under the bitter opposition of President Truman and the labor unions for the purpose. President Truman has used this act as an effective weapon to rally the labor union chiefs to his political support. He has repeatedly urged Congress to repeal the act and has steadfastly refused to enforce its punitive provisions in the case of the coal strikes.

Now that the President has unavailingly been forced to fall back on the law, it will be interesting to learn developments. There is a strange feeling in Washington that the President is even now halting in this effort.

secretly hope that the Taft-Hartley Act will fail to force its union.

## FILE APPLICATIONS NOW FOR POSITIONS LISTED

Applications are being accepted by the Tenth US Civil Service Region, Federal Office Building, New Orleans, La., for Engineering Aid, \$2280 a year, according to a statement issued Tuesday by A. J. Leach, Regional Director. Applications may be filed with the Tenth Regional Office until further notice.

Probationary appointments to the position of Engineering Aid in various Federal agencies in Louisiana and Mississippi, including the Corps of Engineers, New Orleans and Vicksburg Districts, will be made from the registers established as a result of this examination.

Age limits for these positions are 18 to 35, but those age limits do not apply to veterans. Applicants will be required to take a written test, and also to meet certain experience and training requirements.

Additional information and application forms can be secured from the Secretary, Board of US Civil Service Examiners, at any first or second-class postoffice in Louisiana and Mississippi, some first or second-class postoffices in Arkansas and Texas, the Corps of Engineers, New Orleans, La. and Vicksburg, Miss., or from the Tenth US Civil Service Region, Federal Office Building, New Orleans, La.

DEBIT TOTAL  
If the deficit predicted by President Truman in his budget message materializes, the end of fiscal 1951—or June 30, 1951—will find the national debt at \$363,800,000,000. At the end of the war, or on February 28, 1946, the debt totaled \$279,704,000,000, but steady reductions brought it down to \$252,000,000,000 by early 1948. The debt on January 10, 1950 stood at \$256,905,822,277.74.

Pass girls with 13 points while M. Nease of Kila was his score with 22 pts. In the final game for boys C. Ladner of Dedeaux 13 points and N. Ladner of Sellers with 9 points.

STANISLAUS; GCMA: PASS HI BOXING SHOW

### WHAT WE SHOULD KNOW ABOUT COMMUNISM, AS OUTLINED BY COMMITTEE ON UN-AMERICAN ACTIVITIES

EDITORS NOTE: The following questions and answers are taken from the series "Communism in the USA."

56. Does the Communist Party have public speakers and press agents?

Hundreds of them, paid and unpaid, public and secret, hired and volunteered, intentional and unintentional.

Publicity seeking is one of the Party's principal "legal" occupations, intended to confuse people on all important issues of the day.

57. How does the Party get the money for all this?

At first it received money from Moscow but now it raises millions of dollars here in the United States through dues, foundations, endowments, special drives and appeals.

58. Do only Communists carry out Communist work?

No. The Party uses what it calls "Fellow Travelers" and "Front Organizations" in some of its most effective work.

59. What is a fellow traveler?

One who sympathizes with the Party's aims and serves the Party's purposes in one or more respects without actually holding a Party card.

60. Is he important in the Communist movement?

Vital. The fellow traveler is the HOOK with which the Party reaches out for funds and respectability and the WEDGE that it drives between people who try to work against it.

### Proposed Truck Service Urged By C of C And Other Hancock Countians

Appearing as witnesses at an Interstate Commerce Commission hearing in New Orleans on January 31, a committee representing the Hancock County Chamber of Commerce, and some twenty other interested merchants and citizens of this area went on record as definitely favoring the granting of common carrier license to Vincent Morreale.

Mrs. Morreale has petitioned for franchise to operate a trucking line from New Orleans to Long Beach and to serve all intermediate points as well as Logtown, Kilm DeLisle, Lakeshore, Waveland and Clermont Harbor with "next morning" deliveries.

The Hancock County Chamber of Commerce at their regular meeting on January 10 adopted a resolution favoring this application and directed that the chairman name a committee to attend the ICC hearing. Those attending and representing the C of C were H. H. Shattuck, A. J. Chapman, Jr. and E. J. Acevedo.

Interested merchants from Kilm, Logtown, Waveland, Pass Christian, DeLisle and Bay St. Louis also testified as to the need for more adequate truck service so as to facilitate deliveries from New Orleans wholesalers to receivers of this area.

### WAVELAND WANDERINGS

By Mrs. Gertrude Hall

Wednesday evening, February 5, was the date of the first Carnival Ball ever to be held entirely for the personnel of the Servicemen's Club at Kessler Field, Gulfport, Mississippi. The Ball sponsored by the Junior Women's Guild was under the personal direction and supervision of Mrs. J. H. Craft, who has been active in the past several months as sponsor and counselor of this exciting organization from this area. The theme of the ball was "Springtime" and the decorations played during the pre-dinner entertainment were composed of flowers and lighted hand made flowers and colored color and beauty. The spotlights shined on a straight back chair. The setting gave the appearance of a garden in springtime. All of the girls in the Court were dressed in pastel spring dresses and the boys wore formal dress.

Girls from Biloxi, Gulfport, Pass Christian, Bay St. Louis and Waveland were members of the Court. Mrs. Betty Schultz, of Biloxi, was Queen. Maids were Elaine Simmons and Luella Stanford. Gulfport: Danella O'Brien, Pass Christian: Mary Lynn Raymond, Maid of Honor: Margaret Miller, Charlotte Burns, Beatrice Faye and Catherine Burns. Crown bearer and Queen's attendant, Bay St. Louis: Audrey Jenkins, Barbara Jenkins, Catherine Jenkins, and Mary Margaret Taylor. Waveland: Corrine Palmer and Natalie Dominick. Biloxi: The King was Chris Anderson, who is stationed at the Kessler Field Base.

This event which was well attended by members of the community, was a most successful and entertaining affair, and credit to Mrs. Craft who planned and hard to make it so successful.

The Waveland School Play team under the direction of Miss C. Turcotte met the Bay Central High School team on Wednesday, February 8. The Bay team coached by Mr. T. J. Broadus and composed of members from the Seventh and Eighth grades, defeated the Waveland boys and girls' teams in two well played games. The girls of Waveland lost by a score of 16-14. High scorers in this

game were Barbara Damens of Waveland and Marie Shroyer Bay St. Louis. The Waveland boys lost by a score of 19-14. Another game scheduled by the Waveland team with Logtown on Friday, February 10, was rained out.

Little Anna Mae Oliver celebrated her birthday on Sunday afternoon, February 12, by inviting several of the young "lads" to her home on Coleman Avenue to celebrate this big event with her. The children played games and enjoyed delicious refreshments.

Miss Gerry Fenacci, of the Bay-Waveland Dancing School presented the annual Carnival Parade Sunday, February 12 in New Orleans. That night a Grand Carnival Ball was held. Miss

a modern bathroom like this for less than you think!

The right plumbing fixtures do a lot for a room! And you're sure that they are right—in styling... in construction... in a host of outstanding features—when you choose American-Standard.

The American-Standard line includes quality plumbing fixtures for every type and size of home... for every decorative scheme.

Drop around today or tomorrow and let us show you what a wonderful selection we have for your approval. And remember, American-Standard Plumbing Fixtures are as fine as money can buy... yet they cost no more than others!

## New A. & J. Store Opens

Above photographs show the new A. & J. Food Store No. 3, which opened for business last Friday. Upper left, employees of the various A. & J. Stores; Miss Rita LeBlanc, Mr. J. E. Morreale, Mrs. L. M. Morreale, manager of the new store; J. E. Lolicano, owner; Tim Noto, A. & J. Noto, manager of the meat department of the new store; Miss Joan Deane; H. H. Shattuck.

—Photo by Tony Scalfidi

Fenacci is the only dance instructor in New Orleans to present such a pageant during the Carnival season.

Several of the Bay High Seniors met at the home of Mrs. Norman Hall Tuesday evening to select a play which will be presented by the Seniors sometime this spring. The play decided upon is entitled, "Her Name Was Aunt Nellie," a comedy farce in three acts which is well suited to the talents of young people in high school.

Those on the committee for selecting the play were Carolyn Callico, Janet Seiler, Dawn Seiler, Myrtle Cook, Martin Noto, Odelle Saucier, John Vaughan and Alvah Ruhr.

Miss Shirley Turcotte and Mr. Walter Turcotte, the latter home from Perkinson Junior College, spent the week end at the home of their parents, Mr. and Mrs. Walter Turcotte in Burdages Lane.

Mr. and Mrs. Pete Latino and family spent the week end in their home on Market Street.

Mrs. Fred Bourgeois attended the Ball of the Marionettes in New Orleans Friday evening. On Sunday she viewed the Parade of Carrollton.

Miss Beverly Bourgeois and Miss Mary Margaret Turcotte spent Sunday afternoon at Kessler Field where they were working and rehearsing for the Carnival Ball at the Base Wednesday night.

Mr. and Mrs. G. W. Tucker spent Wednesday in New Orleans.

Mr. and Mrs. Henry Angelle spent the week end in Waveland.

Mr. and Mrs. Carl Callahan spent the week end at their home on Waveland Avenue.

Mr. and Mrs. Harold Shurman and family spent the week end with Mr. and Mrs. Raymond Nelson on Tide Street.

Mayor Garfield Ladner spent Monday in New Orleans on business.

Mrs. Sidney Carrio spent Monday in New Orleans.

Mr. and Mrs. Norman Hall motored to New Orleans on Saturday.

**VOLUNTEERS ALERT TO OPPORTUNITIES FOR NEW SERVICES**

Not content to rest on their well-earned laurels, Red Cross volunteers are adding new services to their already lengthy list of activities.

Newest addition is a Gray Lady program for home-bound shut-ins started last year in a few chapters. The service is bringing to children and adults confined to their homes by chronic illness or handicap the same friendly, personal attention previously given by Gray Ladies to patients in hospitals and other institutions.

In all their activities, an augmented Gray Lady corps of 25,400 gave more than 2,396,000 hours of service.

Other Red Cross volunteer services are also entering new fields. Entertainment and instruction workers are now serving in homes for the aged and handicapped, orphanages and other child-care centers, convalescent homes, and mental hospitals. Last year they staged an average of 64 events a day with the cooperation of some 4,000 community groups. Red Cross Nurse's Aides added 70

hospitals and other agencies to the roster of institutions receiving their help to bring the total to 744. They served approximately 400,500 hours during the year.

Arts and Skills instructors started a program in a school for girl delinquents to help run their year's total of service to more than 279,000 hours. Staff Aides served as auditors during a Community Chest drive as part of their over 847,000 hours of service.

Motor Service drivers transported crippled children to and from clinics; furnished emergency ambulance service; took the age-1 for outings; drove child help to the total to 744. They served approximately 400,500 hours during the year.

Canteen Service workers in one chapter made 10,000 sandwiches in two hours for a Boy Scout encampment. Others worked around the clock to feed disaster victims and rescue workers.

In all, 13,100 volunteers in this service gave 477,300 hours to provide over 2,444,000 individual servings.

### 1950's TRUCK BUY WORD

The GMC "Triple Checked" used truck emblem is your guide to a better buy.

The word is spreading—and fast—that light-medium GMCs for 1950 are the best buys in the whole light-medium field! There are plenty of reasons why these new GMCs offer even better performance and greater economy than the quick-stepping, money-saving GMCs of the past. They're easier riding, easier driving... improved to provide more comfort for the driver, more profit for the owner on every score.

Last, but far from least, they are products of the General Motors division that's the world's largest exclusive producer of commercial vehicles... that has, in addition to its own ultra-modern facilities, full access to the unparalleled GM research and proving operations that continually work to make "more and better things for more people."

## Ben Hille Motors

604 So. Beach Bay St. Louis

## APPLICANTS FOR CENSUS EMPLOYMENT MUST TAKE EXAM

All applicants for positions with the Bureau of the Census as Enumerators and Crew Leaders for the 17th Decennial Census beginning April 1, 1950, will be given a written test beginning Monday, February 20, 1950. It was announced Monday by Arthur Fox Arrington, District Supervisor of the Gulfport District Office.

Beginning Monday, February 20, 1950, the following towns in the 16 Counties of the district will be visited by Mr. Arrington or Mr. Hammond H. Hinton, Jr., Assistant Supervisor, to give written tests and receive applications from those who desire to apply for employment with the Bureau of the Census.

Hattiesburg, Community Bldg.; 9:00 to 11:00 AM, Monday, Feb. 20.  
Waynesboro, County Court House; 2 to 4 PM, Monday, Feb. 20.

Poplarville, County Court House; 9 to 11 AM, Monday, Feb. 20.

Parvis, County Court House; 2 to 4 PM, Monday, Feb. 20.

Laurel, County Court House; 9 to 11 AM, Tuesday, Feb. 21.

New Augusta, County Court House; 2 to 4 PM, Tuesday, Feb. 21.

Columbia, County Court House; 9 to 11 AM, Tuesday, Feb. 21.

Prentiss, County Court House; 2 to 4 PM, Tuesday, Feb. 21.

Monticello, High School Cafeteria; 2 to 4 PM, Wednesday, Feb. 22.

Leakesville, County Court House; 9 to 11 AM, Wednesday, Feb. 22.

Collins, County Court House; 9 to 11 AM, Thursday, Feb. 23.

Wiggins, County Court House; 9 to 11 AM, Thursday, Feb. 23.

Bay St. Louis, County Court House; 9 to 11 AM, Friday, Feb. 24.

Picayune, City Hall; 2 to 4 PM, Friday, Feb. 24.

Pascagoula, 11th Street Community House; 10 to 12 AM, Monday, Feb. 27.

Lucedale, County Court House; 9 to 11 AM, Monday, Feb. 27.

Applicants may file an application and take the test at the nearest town to their residence on the day indicated on the above schedule regardless of the county in the district in which they reside. It is necessary that every applicant take this test.

## TEEN-AGE CLUB NEWS

The backward dance at the Teen-Age Club Saturday night was a big success. More than two hundred young people attended, most every one in costume and much fun was had guessing who was who when the guests began to arrive. The boys dined up in mothers and sister's finery and the girls got out dad's and brother's suits and uniforms and all lined up in a most interesting change-about. Flashlight pictures were taken of several groups.

Five new members joined last week. Everybody will be glad to know that there will be a big costume parade and parade ball next Saturday night, February 18th, in keeping with the gay, Carnival spirit that now prevails. Mrs. Nobles would like to see every one come in costume and she promises a swell floor show for entertainment and music by an orchestra if her plans work out satisfactorily. The admission for guests at the Carnival Ball will be 50¢, so each member is urged to bring a guest if possible. The dance will last from 7 to 12 p. m.

Work has begun on the Teen-Age float entry for the Mardi Gras parade and it promises to be one of excellent planning and very beautiful, titled "Song of the Islands."

Under the direction of Mrs. Bonnie Nobles the Teen-Agers are finding something new and different in store every week with planned programs that are always a surprise and delight to all those present.

Come on out on Saturday, join in the fun, get in costume and have a gay time at the Teen-Agers first Mardi Gras Ball.

Visitors are always welcome. Patrons and friends are invited to come and spend an evening with the young folks any time.

## PMA Farm Program News From the PMA County Committee

The local PMA County Committee has recently received a letter from the PMA National Office regarding the 1950 Farm Program.

Producers of tung nuts may now sign purchase agreements through March 1, 1950. If, however, the American market for tung nuts is placed under the government will not allow the price of tung nuts or oil to go.

Each producer who is interested in price support on tung should contact the PMA office in the RC Building, Bay St. Louis. All price support programs are handled through this office and the necessary purchase agreement forms and instructions are available here.

The producer does not obligate himself by signing a purchase agreement until he has delivered his tung nuts to the government support price commodity Credit Corporation, September 1, 1950 is the earliest date the producer may deliver his tung nuts and oil when he signs a purchase agreement but signifies that he may

deliver the oil to the government support price commodity Credit Corporation.

After he signs a purchase agreement, the producer may sell his tung nuts and oil at any time up until he notifies the Commodity Credit Corporation that he is ready to deliver to them.

Each producer who is interested in price support on tung should contact the PMA office in the RC Building, Bay St. Louis. All price support programs are handled through this office and the necessary purchase agreement forms and instructions are available here.

## ALTAR SOCIETY MEETING

The monthly meeting of the Altar Society of Our Lady of the Gulf Church met at the Concert Day on Wednesday afternoon, Feb. 16, at 3:00 p. m. with Father Edward P. Desmond and Sister Antoinette and about nineteen members present.

Gold and silver was collected for the new estomach and sewing distributed. After business matters were taken up, there was a round table discussion on catechetical questions.

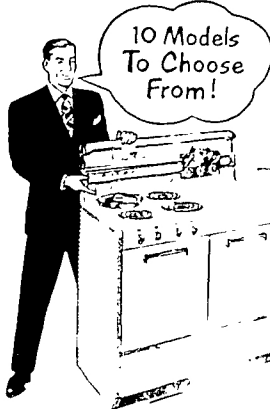

Mrs. Saab won the entrance prize and trophies for the afternoon. Mrs. Edward M. Heath, Mrs. H. C. Glover and Mrs. Mathilde served refreshments.

Unemployment, it is said, is declining, maybe the workers are just too tired to file claims for unemployment compensation.

TELEVISION

With about 3,700,000 television sets already in use, manufacturers estimate that from 3,500,000 to 5,000,000 new sets will be made and sold this year.

With an average of four viewers to the set, this would boost the number of viewers to a total of nearly 35,000,000 by the end of 1950.

WATCH YOUR STEP AND LIVE LONGER

ONE OUT OF EVERY 14 PEOPLE

will suffer some accidental injury this year involving at least one of the various organs in the body, resulting in decreased functions. It might be of less severe injuries. Minor jolts happen every day. Many people believe they will suffer no major disability—at least, that is what they think at the time. But weeks and sometimes even months or years later...they will turn up with some illness or disability not immediately associated with the accident. Nevertheless, the accident was the original cause.

A MISALIGNED VERTEBRA (vertebral subluxation) may cause a pressure on the nerves of the spinal cord sufficient to interfere with the flow of nerve energy to various organs in the body, resulting in decreased functions. It might be of less severe injuries. Minor jolts happen every day. Many people believe they will suffer no major disability—at least, that is what they think at the time. But weeks and sometimes even months or years later...they will turn up with some illness or disability not immediately associated with the accident. Nevertheless, the accident was the original cause.

IF THE PRESSURE is extreme, a paralysis may result. If only a small pressure occurs, it may take months or years to produce noticeable ill effects.
